If an extension is due to the claimant's failure to provide information necessary to decide the Waiver Of Premium claim (or other benefits based on

disability), the extended time period for deciding the claim will not begin until the claimant provides the information or otherwise responds.

If we extend the period to decide the claim, we will notify the claimant of the following: (a) the reasons for the extension; (b) when we expect to decide the claim; (c) an explanation of the standards on which entitlement to benefits is based; (d) the unresolved issues preventing a decision; and (e) any additional information we need to resolve those issues.

If we extend the review period, we will notify the claimant of the following: (a) the reasons for the extension; (b) when we expect to decide the claim on review; and (c) any additional information we need to decide the claim.

If we request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, we may conclude our review of the claim based on the information we have received.

With respect to Waiver Of Premium claims (or other benefits based on disability), the person conducting the review will be someone other than the person who denied the claim and will not be subordinate to that person.
